¹ Where more than one (1) self contained dwelling unit⁴ exists and is supplied through a common water meter, multiple water rates shall be charged.

Similarly, where multiple business establishments are operated through a common meter, multiple water rates shall be charged.

² City of Hamilton rates are effective Jan 1, 2021

³ Account deposit is due at time of establishing an account and kept until account is closed. The deposit may be applied to the account to cover outstanding charges at account closure.

⁴ Dwelling unit means one room or a group of rooms in a building used or designed or intended to be used by only one family as a single, independent, and separate housekeeping establishment:

- a) in which food preparation and sanitary facilities are provided for the exclusive use of such family, and;
- b) which has a private entrance from outside the building or from a common hallway or stairway inside the building.

SCHEDULE S - WATER**

		HST	TOTAL
New Water Meters - Supply by Town, Install by Others ^{10, 11}			
> 25mm (1") with RFT	by applicant		
Remote Readers Installation on Existing Water Meters			
16mm (5/8") - 25mm (1")		58.88	58.88
> 25mm (1")			at cost
Meter Rebates ¹²			
up to 25mm (1")			-
> 25mm (1")	as determined by Director		
Meter Testing (at owner's request - Section 29)			
up to 20mm (3/4")		91.94	91.94
> 20mm (3/4")			at cost

¹⁰ Town will supply the meter with radio frequency transmitter to the applicant at cost to the applicant. The applicant is responsible for installing the water meter through a licensed plumber.

¹¹ Radio Frequency Transmitter water meter is required for all new water meter installations.

¹² A meter rebate may be allowed for an existing meter provided it is being replaced by a larger meter within the same building or premises and the rebate shall be subject to an inspection of the existing meter by the Town.

¹³ A one time water bill reduction for extenuating circumstances is available with the following stipulations:

- A standard rate is applied to the water consumed within the property owner's historical usage.
- Historical usage is determined using a 3 year average for a given period if available.
- Overage will be charged at the current treatment rate charged to the Town, plus a 10% administration fee.
- Overage is any water consumption that exceeds the property owner's 3 year average for the period.
- Decision would be subject to the discretion of the Director of Finance/ Treasurer based on justification provided by the property owner.
