TOWN OF GRIMSBY WATER CUSTOMERS

HYDRANT FLUSHING

Commencing Monday, April 5th, 2021, Town crews will be flushing all fire hydrants as part of our annual water main maintenance program.

The following areas will have water mains flushed on the dates stated below:

- April 5th – April 16th North of QEW from Roberts Road easterly to Nelles Road North.
- April 19th – May 7th North of QEW from Nelles Road North easterly to Grimsby/
Lincoln boundary.
- North of QEW from Roberts Road westerly to Grimsby/
Stoney Creek boundary.
- May 10th – May 28th South of QEW from Elizabeth and Mountain Streets westerly to
Grimsby/Stoney Creek boundary.
- May 31st – July 2nd South of QEW from Elizabeth and Mountain Streets easterly to
Grimsby/Lincoln boundary.

This work will last for approximately fourteen weeks and may temporarily result in cloudy water conditions. Please be assured the quality of the drinking water will **NOT** be affected, although it may be necessary to run your cold water tap only (not hot) for a short period of time and possibly remove and clean the tap screen.

IT IS RECOMMENDED THAT CONSUMERS REFRAIN FROM WASHING LIGHT COLOURED ARTICLES ON THE DAYS INDICATED FOR THEIR AREA.

Should you have any questions, please contact our Operations Centre at #905-945-9201. Your understanding and co-operation is appreciated.
