### Notice of Public Meeting

Applications have been received by the Town of Grimsby for a Zoning By-law Amendment for the lands known as 19 Lynnwood Avenue. Please note this application is associated with file no. 26Z-16-2101 – Lot 39 Central Avenue.

**The proposed development** is to create an access driveway aligned with the existing public road, Sunnylea Crescent which is an existing controlled “T”-intersection, and a parking area with total of twenty-five (25) parking spaces. 19 Lynnwood is proposed to accommodate the entrance driveway, and eighteen (18) of the total proposed 25 parking spaces. The 25 parking spaces are proposed to support a future 10-bed hospice on a portion of the current West Lincoln Memorial Hospital campus grounds that are directly west of the subject lands.

The purpose and effect of the **proposed zoning by-law amendment** is to rezone the lands from Residential Detached 2 (RD2.25) Zone to a site specific Residential Detached 2 (RD2.25) Zone, modified to permit the development of a parking area and access in conjunction with a permitted Institutional use on the abutting westerly vacant institutional lands.
