Notice of Public Meeting

Applications have been received by the Town of Grimsby for an Official Plan Amendment and Zoning By-law Amendment, for the lands known as **4 Woodward Drive**.

The proposed development:

- Phase 1 will consist of the construction of a new 19 storey apartment building with 212 dwelling units, ground floor retail/restaurant commercial space, and a new hotel with conference and banquet facilities on the footprint of the existing surface parking lot on the subject lands.
- Phase 2 will involve the demolition of the existing hotel, and the construction of a new 12 storey apartment building with 208 dwelling units and ground floor retail commercial space.
- An approximately 1,500 square metre outdoor park area is proposed to be located immediately adjacent to Winston Road in front of the building that comprises Phase 2.
- A total of 909 parking spaces will be contained within three levels of underground parking.

The concept plan on the reverse side of this notice shows the location of the affected lands and the proposed site layout.

The purpose and effect of the proposed Official Plan amendment is to permit an increase in height from 12 storeys to 19 storeys, and an increase in maximum permitted density from 3 times the lot area to 4.73 times the lot area.

The purpose and effect of the proposed zoning by-law amendment is to change the current zoning from ND Neighbourhood Development to Mixed Use High Density with modified performance standards to parking, minimum front yard, minimum exterior side yard, minimum rear yard and maximum building height to allow the proposed development.
