

Notice of Public Information Centre

TAKE NOTICE that a Public Information Centre will be held in regards to the Main Street East Heritage Conservation District (HCD) Study. The HCD Study is the first phase of a two phase process. The HCD Study will determine if the area merits designation as an HCD under Part V of the *Ontario Heritage Act* and make recommendations for Council's consideration. Should a Plan be recommended and endorsed by Council, that would comprise of the second phase. The success of the Main Street East HCD Study will require on-going interaction with the key stakeholders and public through a robust public engagement process. The intent of this first consultation session shall be to describe/explain the HCD Study process including opportunities for input and request information from the community about the history of the area.

A Public Information Centre is scheduled as follows:

Date: October 20, 2021
Time: Public Information Centre, 6:00 p.m.
Location: via Zoom

To register please contact abowers@grimsby.ca or call (905) 945-9634 on or before noon on October 19, 2021 to receive the Zoom link. A recording of the Public Information Centre will be publicly available after the session.

Anyone seeking additional information can contact the Town's Planning Department:
