Members of Council and Council Appointments to
Boards and other Bodies**

Recommendation

1. That Report FIN 21-04 dated March 22, 2021 be received for information.

Purpose

The purpose of this report is to provide Council with the Statement of Remuneration and Expenses paid for the 2020 reporting year for members of Council and to members of local boards in accordance with section 284 of the Municipal Act, 2001.

Background

Council and board remuneration provides an incentive for community members to hold public office and to show appreciation for those that dedicate their time and energy serving on Council.

Section 284 of the Municipal Act requires that the treasurer shall in each year on or before March 31 provide to the Council of the municipality an itemized statement of remuneration and expenses paid in the previous year to:

- (a) each member of Council in respect of his or her services as a member of the Council or any other body, including a local board, to which the member has been appointed by Council or on which the member holds office by virtue of being a member of Council;
- (b) each member of Council in respect of his or her services as an officer or employee of the municipality or other body described in clause (a); and
- (c) each person, other than a member of Council, appointed by the municipality to serve as a member of any body, including a local board, in respect of his or her services as a member of the body.

At the Committee of the Whole meeting on October 5, 2020, Council approved a new Council expense policy that provides rules and guidelines for the reimbursement of Council expenses.
