You are invited to a Public Open House

An application has been received by the Town of Grimsby for a Zoning By-law Amendment for the lands known as 174 Main Street East.

The proposed development would re-adapt an existing, vacant single-detached dwelling to be used as office space for the West Lincoln Memorial Hospital Foundation. The proposal would maintain the existing parking on the site, which consists of 1 space in the front yard and two spaces within an existing detached garage on site. No additional site modifications or alterations are proposed.

The plan on the reverse side of this notice shows the location of the affected lands.

The purpose and effect of the **proposed Zoning By-law Amendment** is to allow the "West Lincoln Memorial Hospital Foundation office" use as an additional permitted use at 174 Main Street East, within the Main-Street (MS.15) Zone.

The Town of Grimsby will be hosting a Public Open House to explain the proposed development. An open house meeting is typically held shortly after the Town receives a development application, at the beginning of the review process. Town Staff have not reviewed the application yet, and are still awaiting comments and analysis from other departments and agencies, as well as comments from the public. **Therefore, there have been no decisions made about the proposed development yet.**

The purpose of the open house meeting is for Town Staff and the applicant to: inform you about the proposed development; inform you about planning process to follow; answer your questions; and hear your comments.

The open house meeting will be held as follows:

Date: March 28, 2022

Time: 6:00 p.m.

Location: via Zoom
