

Notice of Public Meeting and Open House

The Town of Grimsby is the final stages of reviewing the Draft Official Plan. This notice is to provide information on the upcoming statutory public meeting and open house.

What is an Official Plan?

The Grimsby Official Plan is a long-range land use planning document that includes a vision, goals, and land use policy directions for the Town. It provides direction and contains land use policies to guide growth and change in Grimsby through to the year 2051.

Grimsby Official Plan Review Process

Grimsby's current Official Plan was approved by Council in 2009 and was intended to provide direction for the Town until 2031. Various amendments have been made to the Plan since that time. Significant changes in Provincial policy have occurred since 2009, requiring the Town to update the Grimsby Official Plan.

The Official Plan Review Project began in 2023. Various in-person events and online engagement opportunities have been held since this time to gather public input on the plan and inform the vision and policy direction. This input was incorporated into the Draft Official Plan that was made available on www.letstalkgrimsby.ca/officialplan in October of 2025.

Please Note: Written comments are encouraged and must be submitted to Town of Grimsby, Planning Department 160 Livingston Avenue, Grimsby, Ontario L3M 0J5 or by emailing grimsbyop@grimsby.ca referencing the Official Plan Review. Unless indicated otherwise, all submissions, including personal information, will become part of the public record and will be included as an appendix to the staff recommendation report.
