

2026 Committee of Adjustment Schedule

The Committee of Adjustment Hearings are generally held on the third Tuesday of the month and are subject to change.

Deadline dates for submission of applications are necessary to comply with Provincial regulations regarding provision of notice.

Please note that the application submission deadline is 4 pm on the dates mentioned below. A complete application is required by the deadline to ensure applications can be scheduled for hearings. Please call the Planning Department prior to deadline submission to set up an appointment to review your application submission, ensure applications are notarized and confirm current application fees.

Consent applications must complete the pre-consultation requirements prior to submitting a consent application. Pre-consultation meetings are held on the 1st and 3rd Thursdays of the month.

October is a 'black-out' period for meetings – no meetings shall be held in that month due to the 2026 municipal election. November and December meeting dates will be scheduled later.
